DPD-6634-59

30 September 1959

MEMORANDUM TO: Chief, Materiel Branch, DPD  
FROM : Chief, Operations Branch, DPD

1. Attached is a cost estimate for engineering support of the test program for the [redacted] being built for the [redacted] program by Applied Technology, Incorporated. It is requested that action be taken to amend the present applied technology contract by the addition of Task 2 to allow for engineering support of the item during testing [redacted] for a period not to exceed thirty days. The engineering services requested will be needed on or about 26 October 1959.

25X1

2. Work accomplishment under the contract task requested above will be monitored by the Technical Section of the Operations Branch. However no cost negotiations have been entered into on the dollar figures quoted in the attached proposal nor are any recommendations made with respect to acceptance of those figures, it being assumed that such will be negotiated by contracts personnel.
